

IT STARTS AT HOME.

DAILY SCREENING

Please complete this short check with your student before joining us for in-person services on Sunday morning.

If you answer yes to any of these questions, we encourage you to join us for one of our services online at 9 or 11 am.

SECTION 1: If your child has any of the following symptoms, this indicates a possible illness that could put them at risk for spreading illness to others.

1. Temperature of 100.4 degrees Fahrenheit or higher when taken by mouth.
 2. Sore throat
 3. New, uncontrolled cough that causes difficulty breathing
 4. Diarrhea, vomiting, or abdominal pain
 5. New onset of severe headache, especially with a fever
-

SECTION 2: Close Contact/Potential Exposure

1. Had close contact (within 6 feet of an infected person for at least 15 minutes) with a person with confirmed COVID-19
2. Traveled to or lived in an area where the local or state health department is reporting large numbers of COVID-19 cases as described in the Community Mitigation Framework
3. Live in areas of high community transmission (as described in the Community Mitigation Framework) while the school remains open
