

# Initiative is seeing what needs to be done and doing it.

Read: Colossians 3:23

DAY

1

## Helping Hands

With your adult, grab a mix of items that symbolize helping (toy tools, pretend food, craft supplies). Have your adult hide these items around the room. Kids, use your “helping hands” to find the items. Once you find the item, talk about how you can use each item to help others.

**ASK God to help you use what you have to serve others.**

DAY

2

## Handy Helper

Trace your hands on a piece of paper. On your hands, write or draw ways that you can help others.

**LOOK for ways to give others a hand with what they need.**

DAY

3

## With All Your Heart

Read Colossians 3:23 with a friend or family member. Read it out loud again, but this time, leave out a few words as you say it. Take turns, and see if you or your partner can fill in the missing words.

**KNOW that what you do for others, you are also doing for God.**
