## **READ:** Joshua 1:8

What is your favorite way to learn? Maybe you love to read, or maybe you prefer someone to read to you. Or maybe you like to be active while you think about something you've just learned. All of those are great ways to keep your focus on God's Word.

## **WHAT YOU DO:**

Spend some time today thinking about Luke 4:1-13, but you get to pick how you do it: you can go on a walk with a parent and talk about what you learned from the story ... ask your parent or older sibling to read it to you *at breakfast ... read it yourself ... or whatever other fun way you can come up with to think about God's Word!*
