PRAYER POINTS

1. Pray for more laborers. The harvest is plentiful but the workers are few. We need more laborers to go into the world and share Jesus.
2. Pray for more opportunities to partner with our community.
3. Pray that God would open up doors for us to partner with our local schools.
4. Pray for an increased awareness of what God is calling us to do in our community.
5. Pray that our church would have a heart to reach our community and the world with the gospel of Jesus Christ.
